# General Information

## TEXTILE PARTNERS & APPROVALS

**Textile Partners**  
To customize your furniture performance needs and design vision, Stylex offers a wide selection of in-graded leathers and textiles from Grades A through Y. We’ve partnered with leading manufacturers on the options, focusing on color, price, durability, and construction. To view our partners and explore our digital carded program with broadly approved textiles, visit **this page**. We stand by these textiles: They’re tried and tested, and will effortlessly fit into any design aesthetic.

**Textile Approvals**  
To view Stylex Approved Textile documents to determine specific product approval status, refer to our Product Tested Textiles documents, available in the Resources section of each product on our website.

## CAL 117 AND 133 COMPLIANCE

**CAL 117-2013**  
All Stylex seating satisfies the requirements of CAL 117-2013 so long as one of our standard or in-graded textiles is applied. COM textiles cannot be so guaranteed. Please contact the supplier of COM’s directly to determine the fire retardancy of any COM supplied to us.

**CAL 133**  
Most Stylex seating can be ordered to meet the requirements of CAL 133. When ordering, simply specify “CAL 133 compliance required”. The upcharge for this option is \$54 list per yard. Please refer to the COM yardage of each model to determine the number of yards required. We do frequently require full-scale burn tests in order to certify CAL 133 before an order will be accepted. Such burn tests may increase normal lead times and do carry additional charges. Please contact customer service for details.

## CUSTOMER’S OWN MATERIAL/LEATHER

Customer’s own material (COM) and customer’s own leather (COL) will generally be upholstered at the price designated in each product’s price list. Please be advised, however, that we specifically reserve the right to charge a higher price when we determine that special circumstances, such as unusual repeats or challenging materials, present themselves. All orders for custom coverings must be approved by Stylex before they will be accepted for production. To submit proposed textile for approval, please use the COM form **here**.

**Special Note:**  
We assume no responsibility for the durability or tailoring quality of any COM or COL. Directional covers in particular may not meet your satisfaction due to the design of certain products. Please be advised that COM and COL orders are not subject to return. If you have doubts about the ultimate appearance of certain coverings, please order a sample done with that specific COM or COL. In addition, while we inspect textiles for mill imperfections, some are difficult to recognize. We cannot be responsible for defects, color inaccuracies, dye lot variations, or other flaws.

Under no circumstances will we be responsible for COM shortages, flaws, or other such problems. Finally, it is not our responsibility to police the receipt of COM’s in order to meet delivery deadlines, and we assume our customers are aware of any undue delay in the shipment of their COM textiles.

**COM textile and COL leather should be sent prepaid to:**  
**Stylex**  
**Attn: COM/COL - [Your PO #]**  
**740 Coopertown Road**  
**Delanco, NJ 08075**

**Clearly mark textile or leather with the dealer’s name, purchase order number, and furniture model number of the item to be covered. Actual furniture orders should include the same information, as well as a description of the textile or leather, including pattern and color number, in order to provide a cross reference.**

Yardage requirements shown in the price list are based on non-directional goods of 54” width. Textiles less than 54" wide or those requiring matching (stripes, prints, or large patterned designs) call for additional yardage. We will be happy to supply yardage requirements for large quantities where economies may be realized.

**Add the following yardage for stripes, plaids, or patterns with repeats:**

Textile Width	Plain Textile	2-14" Repeat	15-24" Repeat	25-27" Repeat	28-36" Repeat
54"	0%	10%	15%	20%	25%
50"	10%	20%	25%	30%	35%
48"	15%	25%	30%	35%	40%
45"	40%	50%	55%	60%	65%
36"	50%	60%	65%	70%	75%

## COM/COL FORM

To avoid delay in processing COM orders we request that you submit a sample of your COM textile stapled to this form which can be downloaded **here**. If a textile has a stripe or design, the size of the repeat should be indicated. Please indicate the textile supplier’s name, textile number, and color. Also indicate the Stylex product on which the textile will be used.

The textile supplier must indicate on his shipping labels the dealer name and purchase order number as well as the Stylex model number.

**Please Note:**  
No order may be entered into production or have a shipping date assigned until all related COM is received at the factory.

	<b>Mitered Sled</b> 	<b>Cantilever Sled</b> 	<b>Wood Metal Leg</b> 			<b>Five Blade</b> 	
	<b>Swivel Cast Aluminum</b> 	<b>Swivel Return Cast Aluminum</b> 		<b>Swivel Cast Aluminum</b> 	<b>Swivel Return Cast Aluminum</b> 		

PRODUCT INFORMATION

**Design**

Brad Ascalon

**Bases**

Sled bases utilize steel tubing. Both 4-blade and 5-blade bases are cast aluminum. Wood Legs are braced with a steel cross-structure beneath the seat. The wood legs are produced from either White Oak, Maple, or Walnut.

All sled base components, as well as the steel cross-structure on 4-leg wood bases, may be ordered in bright chrome, or one of our powder coat finishes. The 4-blade and 5-blade swivel bases are polished aluminum or powder coated.

**Glides**

Glides are either plastic or plastic with felt pads. Please note that felt pad glides are not available on models with Aluminum or Cantilever bases.

**Performance Standards**

Manufactured to comply with:  
ANSI/BIFMA X5.1 General-Purpose Office Chairs - Tests

**Certifications**

GREENGUARD Gold  
LEVEL® 1, BIFMA's sustainability certification program for furniture
