PRODUCT TAKE BACK PROGRAM

At Stylex, responsible stewardship of our products extends beyond their initial use. Our Product Take Back Program provides a practical solution for the end of our products’ intended life cycle.

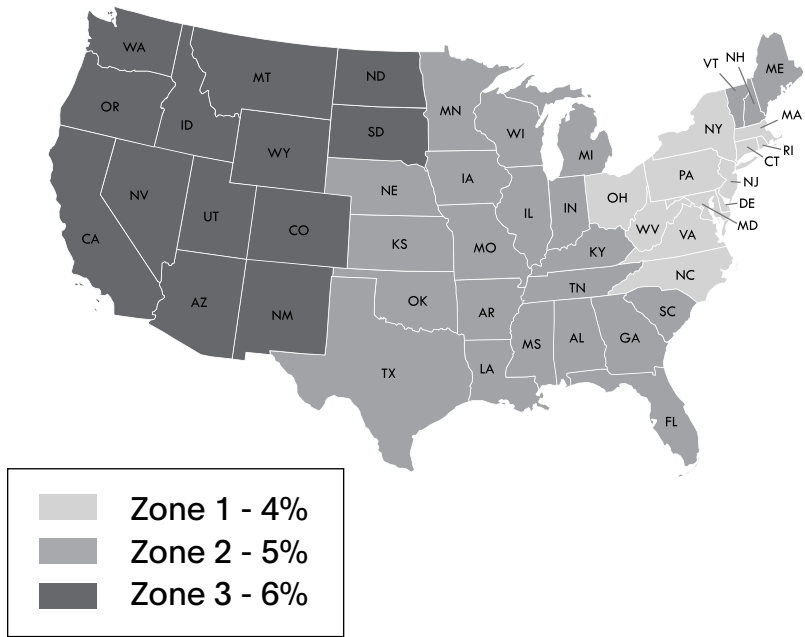

Through our partnership with ANEW, a 501(c)(3) nonprofit organization, we offer clients a comprehensive take-back solution for surplus office furniture and materials, regardless of their condition. ANEW’s mission aligns with ours—to connect surplus resources with non-profits, public agencies, and underserved communities, minimizing landfill impact and maximizing corporate social responsibility.

By repurposing surplus items, we strengthen community networks and reduce environmental impact. Stylex proudly supports ANEW, integrating this partnership into our strategic sales strategy since 2014. Learn more at www.anewfound.org.

Initiate a Product Take Back through ANEW by emailing Stylex at info@stylexdesign.com. For additional end-of-life recovery options, refer to our Product Disassembly Instructions and End of Life Recovery Options documents, available in the Resources section of each product on our website. Together, let’s build a sustainable future.

TEXTILE PARTNERS & APPROVALS

Textile Partners
To customize your furniture performance needs and design vision, Stylex offers a wide selection of in-graded leathers and textiles from Grades A through Y. We’ve partnered with leading manufacturers on the options, focusing on color, price, durability, and construction. To view our partners and explore our digital carded program with broadly approved textiles, visit [this page](#). We stand by these textiles: They’re tried and tested, and will effortlessly fit into any design aesthetic.

Textile Approvals
To view Stylex Approved Textile documents to determine specific product approval status, refer to our Product Tested Textiles documents, available in the Resources section of each product on our website.

CAL 117 AND 133 COMPLIANCE

CAL 117-2013
All Stylex seating satisfies the requirements of CAL 117-2013 so long as one of our standard or in-graded textiles is applied. COM textiles cannot be so guaranteed. Please contact the supplier of COM’s directly to determine the fire retardancy of any COM supplied to us.

CAL 133
Most Stylex seating can be ordered to meet the requirements of CAL 133. When ordering, simply specify “CAL 133 compliance required”. The upcharge for this option is \$54 list per yard. Please refer to the COM yardage of each model to determine the number of yards required. We do frequently require full-scale burn tests in order to certify CAL 133 before an order will be accepted. Such burn tests may increase normal lead times and do carry additional charges. Please contact customer service for details.

CUSTOMER’S OWN MATERIAL/LEATHER

Customer’s own material (COM) and customer’s own leather (COL) will generally be upholstered at the price designated in each product’s price list. Please be advised, however, that we specifically reserve the right to charge a higher price when we determine that special circumstances, such as unusual repeats or challenging materials, present themselves. All orders for custom coverings must be approved by Stylex before they will be accepted for production. To submit proposed textile for approval, please use the COM form [here](#).

Special Note:
We assume no responsibility for the durability or tailoring quality of any COM or COL. Directional covers in particular may not meet your satisfaction due to the design of certain products. Please be advised that COM and COL orders are not subject to return. If you have doubts about the ultimate appearance of certain coverings, please order a sample done with that specific COM or COL. In addition, while we inspect textiles for mill imperfections, some are difficult to recognize. We cannot be responsible for defects, color inaccuracies, dye lot variations, or other flaws.

Under no circumstances will we be responsible for COM shortages, flaws, or other such problems. Finally, it is not our responsibility to police the receipt of COM’s in order to meet delivery deadlines, and we assume our customers are aware of any undue delay in the shipment of their COM textiles.

COM textile and COL leather should be sent prepaid to: Stylex
Attn: COM/COL - [Your PO #]
740 Coopertown Road
Delanco, NJ 08075

Clearly mark textile or leather with the dealer’s name, purchase order number, and furniture model number of the item to be covered. Actual furniture orders should include the same information, as well as a description of the textile or leather, including pattern and color number, in order to provide a cross reference.

Yardage requirements shown in the price list are based on non-directional goods of 54” width. Textiles less than 54" wide or those requiring matching (stripes, prints, or large patterned designs) call for additional yardage. We will be happy to supply yardage requirements for large quantities where economies may be realized.

Add the following yardage for stripes, plaids, or patterns with repeats:

Textile Width	Plain Textile	2-14" Repeat	15-24" Repeat	25-27" Repeat	28-36" Repeat
54"	0%	10%	15%	20%	25%

48"	15%	25%	30%	35%	40%
45"	40%	50%	55%	60%	65%
36"	50%	60%	65%	70%	75%

COM/COL FORM

To avoid delay in processing COM orders we request that you submit a sample of your COM textile stapled to this form which can be downloaded [here](#). If a textile has a stripe or design, the size of the repeat should be indicated. Please indicate the textile supplier’s name, textile number, and color. Also indicate the Stylex product on which the textile will be used.

The textile supplier must indicate on his shipping labels the dealer name and purchase order number as well as the Stylex model number.

Please Note:
No order may be entered into production or have a shipping date assigned until all related COM is received at the factory.
